Executive Summary & About

My current priority is investing in and building with AI to benefit humanity. Recently, I've co-founded Inflection.AI and ManasAI.co. I am active in all facets of the consumer internet and software industries. My focus spans product development, innovation, business strategy, and finance. My expertise also extends to general management, operations, business development, talent management, and marketing. I have founding and investing experience with seed-stage to massive scale companies such as LinkedIn, OpenAI, PayPal, Airbnb, Facebook/Meta, Mozilla, and Zynga, as well as world-scale companies like Microsoft. My specialties include general management, product development, strategy, negotiation, financing, deal structuring, international business, marketing, brand development and management, business development, public relations, press strategy, payments infrastructure, financial services, mergers and acquisitions, startups, software development, operations centers, board management, and investing.
